#### A note about gluten free + allergies:

Otto's Market is aware of the challenges of allergy sufferers.

However, due to the nature of our production areas and centralised bakery,

we are unable to guarantee an allergen-free environment in our kitchen.

As such, no product produced in-house at Otto's can be guaranteed gluten or allergen free.

We use the term 'friendly', as although the ingredients listed may not specifically contain gluten, there may be traces on our work benches and tools.
